

Cut the solid lines with a knife and place the tabs from (4) on page 2 into the holes. Fold out the tabs on the bottom and glue or tape them to one.

Fold the dotted lines to match the contour of the top edge of part (1) from page 2.

Stick
Part (4)'s
(a) here.

Fold the red tabs in and tape to part (1) of page 2. The bottom line of the red should meet together.

Tape all the tabs from part (1) of page 2 to the inside parts of (2).

Somehow tape (1) to (2). Then fold the dotted lines of the back of the ship in on each other to close out the back of the ship. Glue or tape this to the base made on page 1.
