

The Focal Point Poll 1965

Distributed with Focal Point #21. The voting in this poll is for the year 1965, January to December, and the activity which took place in that year -- none other will be considered. [This year we mean it.] No votes for yourself or your spouse. Deadline for returning of ballots is July 1, 1966; none will be counted after that date. Results of the poll will be printed in the style of Fanac's old polls and copies will become available at 25¢ each on the date of publication (deductible from your FP subscription if you wish). Reasonable facsimilies will be accepted in lieu of the formal ballot; other faneds are encouraged to reprint and circulate this ballot at will.
