SERVICE INFORMATION

The Service Procedures for the following will no longer be in Technical Service Bulletins:

- NATS Key registration.

- Intelligent Key registration.

- Steering Look Unit ID Registration

These Procedures are now only available in the CONSULT-III Operations Manual.

You must have the Security Key installed to access the Manual.

The Manual is blocked from print functions for security.

To open the Manual: Close ASIST. Click on START, then CONSULT-III Operation Manual. From the Manual Selection window select CONSULT-III Operation Manual NATS-NVIS. Then select the language choice.

Use the information in Table A on the next page to determine which Manual Selection is required for the vehicle you are working on.
