PRECAUTIONS

< PRECAUTION >

PRECAUTION

PRECAUTIONS

Precaution for Supplemental Restraint System (SRS) "AIR BAG" and "SEAT BELT PRE-TENSIONER"

INFOID:000000001716872

The Supplemental Restraint System such as "AIR BAG" and "SEAT BELT PRE-TENSIONER", used along with a front seat belt, helps to reduce the risk or severity of injury to the driver and front passenger for certain types of collision. This system includes seat belt switch inputs and dual stage front air bag modules. The SRS system uses the seat belt switches to determine the front air bag deployment, and may only deploy one front air bag, depending on the severity of a collision and whether the front occupants are belted or unbelted. Information necessary to service the system safely is included in the SR and SB section of this Service Manual.

WARNING:

- To avoid rendering the SRS inoperative, which could increase the risk of personal injury or death in the event of a collision which would result in air bag inflation, all maintenance must be performed by an authorized NISSAN/INFINITI dealer.
- Improper maintenance, including incorrect removal and installation of the SRS, can lead to personal injury caused by unintentional activation of the system. For removal of Spiral Cable and Air Bag Module, see the SR section.
- Do not use electrical test equipment on any circuit related to the SRS unless instructed to in this Service Manual. SRS wiring harnesses can be identified by yellow and/or orange harnesses or harness connectors.

Removal and Installation

INFOID:000000001712342

INSIDE MIRROR

1. Remove inside mirror finisher.
2. Slide the mirror upward to remove.
3. Disconnect the connector.

1. Inside mirror
2. Inside mirror finisher

Installation is in the reverse order of removal.

DOOR MIRROR

< SERVICE INFORMATION >

DOOR MIRROR

Door Mirror Assembly

INFOID:000000001712339

REMOVAL

NOTE:

Be careful not to damage the mirror bodies.

1. Remove the adhesive front door sash cover.
2. Remove the front door finisher. Refer to [INT-10, "Removal and Installation"](#).
3. Position the front door seal aside.
4. Disconnect the door mirror harness connector.
5. Remove the nuts and the door mirror assembly.

INSTALLATION

Installation is in the reverse order of removal.

Door Mirror Glass

INFOID:000000001712340

REMOVAL AND INSTALLATION

1. Angle the mirror fully up.
2. Remove the mirror.
 - Pull from the bottom to disengage the clips.
 - Continue to pivot the mirror upward from the bottom to separate the hooks.
