

## Limited Warranty

Limited Warranty: The Equipment manufactured by Adtec Productions, Incorporated (herein "Manufacturer") and sold hereby, exclusive of any components or parts not originally manufactured by Manufacturer, is warranted to be free from defects in material and workmanship for a period of one year from the date of delivery of Equipment. For a period of one year from said date of delivery, Manufacturer will repair or replace any part of the Equipment that fails to conform to this warranty.

This warranty is made in lieu of all other warranties, expressed or implied, including, but not limited to, implied warranties of merchantability and/or fitness for a particular purpose, which Manufacturer hereby disclaims. Said one-year limited warranty does not apply to component parts not manufactured by Manufacturer and sold hereby, but Manufacturer will service such components or parts for a period of one year from the date of substantial installation, exclusive of charges associated with replacements for such components or parts. The Manufacturer shall not be responsible to perform repair or replacement under this warranty unless the Customer notifies the Manufacturer in writing of warranty claim within one year of the date of delivery of Equipment.

No warranty of any kind is made, or shall be imposed, with respect to Equipment which in the judgment of the Manufacturer has been (1) subject to misuse, negligence, or accident; or (2) altered or repaired by anyone other than Manufacturer, or its authorized representative. In no event shall Manufacturer be responsible for any costs for repairs or replacements not authorized by Manufacturer, or for incidental damages, consequential damages, or loss of use for any reason, including, but not limited to, economic losses or other business expenses or costs resulting from a warrantable failure. The parties agree that these terms satisfy the essential purpose of the warranty, and that this warranty shall not apply if Customer has failed to substantially comply with any material term or condition under this Warranty.

Limitations upon Remedies: The Customer's exclusive remedy pursuant to this Warranty is restricted to product repair or replacement in the event of a defect or warrantable failure in any part of the Equipment. In no event can the Customer or any beneficiary recover the price, consequential damages, or economic loss from the Manufacturer.
