

WildFire Guitar Amplifiers**WildFire 15****WildFire 30****WildFire 60****Product Description**

The WildFire series is perfect for guitarists looking for a portable, flexible, great-sounding amplifier with built-in DSP for stage, practice, and recording. Built around Alesis world-class DSP technology, WildFire amps are capable of almost any guitar sound you can dream up. On stage, two WildFire amplifiers can be linked in stereo. With RCA inputs for a CD/MP3 player and headphone output, WildFire amps excel as practice tools, and their extensive range of tonalities makes them great for recording.

Positioning

Built around Alesis DSP technology, quality construction, and many innovative features, WildFire guitar amplifiers offer exceptional performance unmatched for the price.

Applications

The WildFire series is perfect for guitarists looking for a portable, flexible, great sounding amplifier with built-in DSP for stage, practice, and recording. On stage, two WildFire amplifiers can be linked in stereo. With RCA inputs for a CD/MP3 player and headphone output, WildFire amplifiers excel as practice tools, and their wide range of tonalities makes them great for recording.

Key Features & Benefits

- 1) Alesis DSP technology
 - 80 editable presets covering the spectrum of guitar styles
 - 9 effects modules allow the selection of multiple effects for powerful tonal combinations
 - Over 40 different effects
- 2) 1/4" expression pedal input
 - Allows fluid control of effect parameters
- 3) "Stereo Link" output
 - Enables two WildFire amplifiers to be linked for stereo effect
- 4) Headphone output and RCA inputs
 - 1/4" front panel headphone jack mutes speaker when in use
 - Playback and mix stereo music with guitar signal
 - Great tools for practicing
- 5) Built-in chromatic tuner
 - Digital tuner with ability to mute Output

Dimensions & Weight**WildFire 15:**

- 14.25" x 13.25" x 7.15" (H x W x D)
- 17lbs

WildFire 30:

- 16.25" x 15.25" x 8.15" (H x W x D)
- 24lbs

WildFire 60:

- 18:40" x 17.50" x 9.40"(H x W x D)
- 32lbs

product overview

WildFire Guitar Amplifiers

Head-to-Head

WildFire 15

Model	WILDFIRE 15	MG15CD	VINTAGER	GX15R	FRONTMAN 15R	MX15R	FIRE 15
