Part Number - FP882

UPC Code - 8-40046-00070-7

Target Customers - Graphic pros, game designers, Corporate exec's, SOHO, gamers

FEATURES AND BENEFITS

• Spacious 18.1" display size you never have to scroll down to see the entire spreadsheet or web page.

• 350:1 contrast ratio produces true blacks and vivid colors that gives greater control over color output.

• .28 pixel pitch means razor sharp images for high quality work and greater productivity

• Dual Analog/DVI inputs allow you to connect multiple devices like DVD players, Computers, video games for increased functionality and lots of fun.

• 160 degree horizontal & vertical viewing angles makes the FP882 perfect for multimedia presentations large groups.

• The built-in integrated stereo speakers provide you with crystal clear music to enhance your audio experience.

Integrating a classic black bezel the BenQ FP882 delivers high contrast; photo realistic images with unrivaled clarity and vivid color reproduction. The FP882 accepts both analog and DVI signals for best-of-class functionality and compatibility in an LCD that will not only soothe your eyes, but will inspire your thoughts.
