Eliminator "E" Models Approved To Ship

We've finally approved to ship the "E" versions of the Eliminator and the Eliminator Sub.

Please note that the previously announced prices (from NAMM price addendums) have been changed:

	<u>List Price</u>	<u>Pro User</u>	<u>1 - 2</u>	<u>3 or more</u>
Eliminator E 15-inch two-way w/Speakons	\$618.00	\$515.00	\$344.00	\$309.00
Eliminator Sub E 18-inch woofer w/Speakons	\$618.00	\$515.00	\$344.00	\$309.00

Sales of Eliminator have been good! Now that the advertising is kicking in and word of mouth has started to spread, Eliminator sales should really take off.

Thanks for your efforts.

Best regards,

A handwritten signature in cursive script that reads "Mike Torlone".
