The Force<sup>®</sup> system provides the traditional EV sound at a low cost. Enhanced with RMD<sup>™</sup> (Ring Mode Decoupling), the new Force<sup>®</sup> system provides a new standard for price and performance.

- **Force<sup>®</sup> Amplifier combines with the Force<sup>®</sup> two-way 15-inch speaker, and the Force<sup>®</sup> Sub speakers with 2- x 15-inch woofers to form the highest-value in entry-level, extended-range sound systems.**
- **RMD<sup>™</sup> (Ring-Mode Decoupling) technology provides crystal clear highs, detailed mids and thundering lows with exceptional vocal clarity and intelligibility.**
- **Built-in dynamic limiter delivers complete speaker protection and highly accurate transients.**
