NOTICE NO. 144

DISTRIBUTION: UNIVERSITY SOUND DISTRIBUTORS AND DEALERS
UNIVERSITY SOUND SALES REPRESENTATIVES

ITEM: CS810T

SUBJECT: CHANGE IN TRANSFORMER

The CS810T is an 8" (19.6cm) ceiling loudspeaker equipped with a 4 watt line matching transformer.

The transformer for this product was recently changed to a new improved version transformer.

THE MODEL NUMBER OF THE LOUDSPEAKER DEVICE IS STILL A CS810T

The new model transformer has the power tap adjustments on the primary winding. The previous version had power tap adjustments on the secondary.
