

Eliminator[®] Double System

PROFESSIONAL

A U D I O

P R O D U C T S

The Eliminator[®] Double System provides exceptional mid- and low-frequency response in a matched system with traditional EV sound. The Eliminator[®] Amplifier incorporates state-of-the-art limiters to assure system protection.

- **Matched system provides maximum performance from the individual components.**
- **Dual 15-inch woofers in a single cabinet isolate each woofer to eliminate cross interference.**
- **Bottom woofer is filtered at 700 Hz to optimize vocal/midrange performance.**
- **RMD™ (Ring-Mode Decoupling) technology provides crystal clear highs, detailed mids and thundering lows with exceptional vocal clarity and intelligibility.**
- **Eliminator[®] Amplifier delivers 650 watts per channel.**
