

Eliminator[®] Series

PROFESSIONAL

A U D I O

P R O D U C T S

The reborn Eliminator line is as revolutionary as its predecessors were nearly 30 years ago. Incorporating all of EV's latest speaker technology, the **Eliminator is one of the greatest speaker values of all times.**

The Eliminator line has now been expanded to offer this tremendous value in other system configurations.

- **Eliminator – High-level, 15-inch, 2-way speaker system featuring a new woofer with an increased 350-watt, long-term power rating.**
- **Eliminator Sub – High-level, 18-inch, subwoofer featuring a new woofer with a 400-watt, long-term power rating. Designed to form a high-level, wide-range system with the Eliminator.**
- **Eliminator Double – High-level, 2 x 15-inch, 2-way speaker system designed for applications requiring more SPL and bass than single Eliminator speakers. Perfect for DJ applications.**
- **Eliminator Monitor – 15-inch, 2-way speaker system featuring a new woofer with an increased 350-watt, long-term power rating. Versatile design allows for use as a floor monitor or stand-mounted main-PA speaker.**
- **Eliminator Amp – 1200-watt power amplifier with unique dynamic compressor/limiter and speaker protection; specifically designed to maximize the performance of Eliminator speakers.**
