## INDEX OF TECHNICAL NEWS BULLETINS

<b>Title</b>	<b>Bulletin No.</b>
A Truly Universal Microphone Mixer - Model 1004.....	1
Telephone Line Adaptor - Model TLA-1.....	2
Raymer Model 811-100 Booster Amplifier (replaced by University 1811-100).....	3
Best Laid Plans of Mice and Men - Model TM-2.....	4
Voiceless Paging with Background Music - Model 829-15A (replaced by 1829-15A).....	5
Improved Circuitry and Added Functions - Model 798-10 (replaced by 1798-10).....	6
Eliminate Problems by Using 500-Ohm Balanced Line.....	7
One Watt Amplifier for Microphone Operation - Model 703.....	8
Extending the Usefulness of the TGSP-4 Tone Generator.....	9
Model 701 - 1-Watt Amplifier.....	10
An Ingenious Sound Installation - Model VOX-15.....	11
Corroboration: How Sweet It Is - Model TGSP-4.....	12
His Majesty the Circuit Breaker.....	13
Addition of Battery Power Capability in Model 1802-PMA.....	14
Ground Loops in Multi-Amplifier Installations.....	15
The Phantom Radio Broadcaster - Model LMT-150.....	16
Use of RSP-1 Relay for Instantaneous Change to Stand-By Amplifier.....	17
External Antennas for FM and AM Reception.....	18
Wattage Demand of Speaker Line Using Trumpet Speakers - Model LWT.....	19
Battery Back-Up on Raymer Equipment.....	20
Wattage at Amplifier Output vs. Wattage Delivered at Speakers.....	21

<b>Title</b>	<b>Bulletin No.</b>
An Unusual Amplifier - Model 806 .....	22
Antidote for Noise-Making Machinery in Sound Installations .....	23
When Meters Prevaricate - Model RPM .....	24
Intercom with Paging Added - Model TM-2 .....	25
The "No-Smoke" Test .....	26
Hints and Kinks - Model LWT .....	27
Gotcha the Gremlin, Just Like Satan, Lies Awaitin' .....	28
Wattage Output vs. Wattage Demand - Model LWT .....	29
Extended the Wattage Readings on the Model LWT Tester .....	30
"Night Call" Economically .....	31
The Model RPM Tester .....	32
Paging Between Buildings .....	33
All-Call and Zone Paging without Relays in Telephone Installations .....	34
Service Suggestions on the LWT Tester .....	35
Model 824 Tuner-Amplifier (replaced by University 1824) .....	36
Another Application for the Model VOX-15 Voice-Activated Talkback Amplifier .....	37
Fail-Safe Communication Network for Multiple Telephone Lease Lines - Model TM-2 .....	38
A Touch of Class - Model TGSP-4 .....	39
Leased Telephone Line for Distance Paging .....	40
Music-on-Hold and Paging Options / Paging Access from the Telephone Company .....	42
An Ingenious Warehouse Paging Installation .....	43
New Model TM-2P Telephone Matching Transformer with Adjustable Output .....	44
Model ACR-1 Audio Controlled Relay .....	45
Model ACR-1 - More Applications .....	46
Two-Way Loudspeaker Communications Using a Leased 600 Ohm Line .....	47
Wiring Loss in Speaker Lines .....	48
Multi-Speaker Connections for the Model 580 Series, 8 watt Utility Amplifiers .....	49
