introducing Electro-Voice® Eliminator i™  
Enhanced Bass Response Speaker System

icy clear vocals.  
in-your-gut's bass response.  
industrial-tough cabinet construction for DJs on the move.  
incredible sound from an amp/subs/speaker system designed to play together.  
innovative processor in the Eliminator i™ amp—tuned to the i speakers—  
delivers every beat with clean, extended bass response.  
internal crossover in the subs keeps setup simple.  
Indulge yourself.
