**The best performers make it look easy.
And now it is.**

Your favorite performers don't have to worry about interference, poor audio quality, or other problems from their wireless systems. And now you don't have to either. Introducing the RE-2™ professional wireless microphone system from Electro-Voice®. With one touch simplicity, Auto-ClearScan™ finds the clearest channel in seconds. It's easy to afford, too. You've never seen so many features at this price. You perform like a pro — now sound like a pro, with the RE-2 wireless microphone system.

Clean channel. Clear sound. Clever wireless.™
