

We are peace of mind,
we are freedom
to communicate securely,
we are always
in front of the crowd,

we are the future
of wireless technology.

- Now, the wireless system that set a new standard in wireless technologies is available in a secure solution... the SAFE 1000, featuring second generation digital encryption technology
- FMR-1000 UHF wireless system offers programmability across a 24 MHz operating bandwidth
 - Advanced ClearScan™ finds the clearest channels in the clearest groups
 - Rugged transmitters have features found nowhere else

From the innovative FMR-10 ten channel system to the state-of-the-art FMR-1000 with ClearScan™, to the SAFE 1000, which brings security to a vulnerable world, Telex is the future of wireless microphones. Call 1-800-667-3968 or visit our website at www.ElectroVoice.com/Telex-Wireless.

We are your wireless microphone system company.
