

# QRx-Series

## A prescription for quality

### QRx-118S

- ✓ 600-watt continuous (2400 watt Peak)  
98 dB sensitivity (1 watt @ 1 meter)  
126 dB SPL full power (132 dB Peaks)
- ✓ Electro-Voice legendary EVX180B  
for power, control and durability
- ✓ Small footprint, rectangular cabinet,  
non-slip feet on both bottom and side
- ✓ Rugged, Russian Birch plywood  
construction with textured surface
- ✓ Incorporated 1-3/8-inch pole mount  
for safe, optimum top box positioning
- ✓ 16-gauge perforated steel grille with  
cross-brace ensuring durability even  
in floor stacks

The QRx-118S is a single 18-inch dedicated sub woofer tuned to 38 Hz and features the 4-inch ultimate thrust power of the EVX180B driver. Slim-line footprint easily slips under a stage or securely stacks for greater coupling and maximum output.
