

# DST™ Monitor Cart

## Conferencing Furniture

The ClearOne DST™ Monitor Cart is the best value in its class — a highly affordable, attractive wood monitor cart created specifically for the needs of the set-top videoconferencing market.

### DESIGNED FOR STRENGTH, MOBILITY AND VALUE

The ClearOne DST monitor cart provides superior strength and mobility at an unbelievable price. The rounded shape and black melamine finish give it a sleek appearance that blends with any surroundings. Precision ball-bearing casters allow smooth transitions and ease of movement from room to room. With more than 22" of depth in the interior cabinet, it features plenty of space for peripheral equipment. All in all, the DST cart is one incredible value.

### ADVANCED PRODUCT FEATURES

#### Affordability

- ▶ Precision synthetic ball-bearing casters ensure easy mobility
- ▶ Cammed, doweled and glued construction increases strength and integrity
- ▶ Melamine finish with rubber T-mold edging protects the cart and interior surfaces
- ▶ Rounded corners eliminate possible gouging and damage to office walls and furniture
- ▶ Enclosed back increases cart strength and provides increased security
- ▶ Top grommet and cable pathway in back enable enhanced cable management
- ▶ Twin acrylic doors and latches prevent door warping and alignment problems

### CLEARONE TECHNOLOGY AT WORK

ClearOne video and audio products are preferred by numerous Fortune 500 companies, state agencies and educational institutions. Customers include Microsoft, Daimler Chrysler, IBM, Morgan Stanley, Best Buy, Boeing, Goldman Sachs, Cisco Systems, NASA, the State University of New York and the University of Texas at Dallas.

### PRODUCT APPLICATIONS

The mobility and value of the ClearOne DST cart make it ideal for large corporate or educational facilities where resources are limited and must often be shared among multiple rooms. The DST easily supports up to 36" monitors for use in videoconferencing areas, training rooms and distance-learning classrooms, and also features generous cabinet space for mounting AV equipment.
