

MAXimize Your Conferencing Experience.

# Meet MAXAttach™

ClearOne, the company that brought you the first wireless tabletop conferencing phone has "expanded" its presence in the conference room. Announcing the new MAXAttach conferencing phone system. Only MAXAttach allows you to link up to two additional expansion bays to ensure complete microphone and loudspeaker coverage. MAXAttach delivers superior audio quality, expanded coverage and easy setup. Call 800-707-6994 or go to [www.clearone.com](http://www.clearone.com) for more information.
