What is ClearOne RAV?

Great teleconferencing without a great big effort or investment, that's what.

So as a preferred provider of RAV, we can provide you with the most teleconferencing quality for the least amount of work and money. This complete audio conferencing system includes an audio mixer, microphones, speakers and a wired or wireless controller. Just open the box, connect, and conference.

Call Dealer Name at XXX-XXX-XXXX
or visit www.dealerwebpage.com/clearone
and find out what it's like to really connect.
