

## POWER FACTS #1

### WELCOME TO ETA SYSTEMS' POWER FACTS

An Education Source Created To Provide ETA Product Information.

Look for Power Facts on an informal basis with messages Similar to this:

**FACT:** Every ETA Conditioned Power Distribution Product Protects On All Three Legs Of The Incoming Power.  
And Carries A Three-Year Warranty  
A Standard Not Matched By All Competitors

**RESULTS:** Protecting all three legs is critical...because...  
Voltage spikes and noises are inherent in transmitting AC Power.  
Conditioning of the AC Power Distribution Circuit against these  
Transient spikes and EMI/RFI noises  
Insures operational integrity and longevity  
Of the connected Audio/Video Systems.

Feel Free To Forward ETA Power Facts To Your Staff and Important Customers.
