**ELITE SCREENS - INFOCOMM 2005**

Cerritos, Calif., May 3, 2005 – Elite Screens, a new company which specializes in a wide range of standard size projection screens in various types and sizes, has announced today, the breakthrough Elite *ez Frame Series*, *ez Electric Series*, *ez Cinema Series* and *ez Cinema Plus Series*. These screens will be displayed during the Infocomm 2005 show in Las Vegas, Booth # 3523.

The Elite Screens new *ez Frame Series* features a tensioned high contract gray screen material, which increases the contrast and black levels from your home cinema projector. The setup is easy as 1-2-3, by connecting the frame, pulling screen material to reach the frame, and it's all ready to go. Also, all ez-frame screen come with 3" Alumna Black Velvet to increase the focus point and reduces the reflecting light from projector to the frame. Elite Screen *ez Frame Series* offers a full line of Fixed Wall Frame Screens ranging in ratios from 4:3 to 16:9 and ranging in sizes from 72", 84" 92", 96", 100", 106"... to 200". Elite Screens *ez Frame Series* Start from MSRP \$559.
