NO COMPARISON

Nothing Sounds like an Eventide

Through the decades, top players have depended on Eventide: Jimmy Page, Frank Zappa, Brian May, Eddie Van Halen, Steve Vai, Robert Fripp, John Petrucci, and Adrian Belew, to name a few. Now, for the first time, these effects are portable AND affordable. Stompbox simple, TimeFactor fits on your pedalboard or in your gigbag.

NO COMPROMISE

Studio Quality Effects at Your Feet

Top recording studios worldwide use Eventide effects on hit after hit. TimeFactor includes Eventide's 10 best delay effects from the past 35 years without compromising quality OR flexibility.

NO LIMITS

Flexibility Built-In

Plug-and-play expression pedal control of wet/dry mix or any combination of parameters. Control program changes and vary parameters continuously via MIDI. Supports instrument or line level inputs and outputs. Plays well with others; adapts seamlessly with a wide variety of amps and other foot pedals.

NO DEAD ENDS

Obsolescence is so 20th Century

Easy to upgrade; download new software from the Internet and install via USB.
