Guitars and Basses

1998 List Of Options

Curly Maple Top. A highly figured curly maple top is available on any G&L guitar or Bass.

Birdseye Maple Necks. Available on all guitars and basses. G&L maple fretboards are not a maple cap, so a birdseye maple neck gives you a birdseye maple fretboard, as well.

Polished Glossy Lacquer On the Neck. Available on all guitars and basses.

Polished Glossy Lacquer over a Hand Rubbed Gun Oil Tint. Adds a rich vintage look to any guitar or bass.

Painted Headstocks. Available on any guitar or bass. Specify solid finish, or 'burst' finishes.

Graphite Nut. Graph Tech graphite nuts available.

"Vintage" Dunlop 6230 thinwire frets. Available on any guitar. Standard on the George Fullerton Signature model.

Schaller locking machine heads. Available on all guitars.

Ebony Fretboard. Available on guitars and fretted basses.

Fretless Bases. G&L will make any bass guitar fretless with or without ghost lines for no extra charge. The fretboard will be ebony.

Neck Binding. White neck binding is available on all guitars and basses except the Invader series.
