

**US Dealers Nominate
G&L ASAT "Junior"
for Music & Sound Retailer's
for Best New Electric Guitar of 1998!**

The G&L ASAT "Junior", from the G&L Custom Creations Dept. debuted at Summer NAMM 1998 in Nashville. The ASAT "Junior" was a big hit at the show, and lots of the hot Nashville players came by the G&L booth to see what all the excitement was about.

Many G&L dealers have received ASAT "Juniors" and, not surprisingly, sold them very quickly (with great margins). And now, according to Music & Sound Retailer magazine, music dealers have honored the ASAT "Junior" by nominating it as one of the ten best new electrics in 1998.

There's still a chance for you to get an ASAT "Junior", as a handful are still available. In fact, now is a great time to get yours because the ASAT "Junior" press release will start appearing in magazines in the next month.

All of us here take this opportunity to thank all of our great G&L dealers, reps and international distributors, for their great efforts. We wish you continued success with G&L.
