WHAT INFLUENCED YOU TO BUY? I was an employee of Fender

instruments in the sixties & seventies in the

Fullerton factory, in Fullerton, Ca. I have owned

Fender instruments for over 30 yrs. My first

Electric guitar was the Jazzmaster then a

Jaguar, Stratocaster & Telecaster now Gold

OTHER COMMENTS I was in Fullerton, Bjo musician I was

working with at his club in north Hollywood Ca.

His name is Jimmie Bryant I'm sure met the Fender

and Mr Fullerton knew him very well

To Whom It May Concern

I think Jimmie Bryant was the first

to play elect. Fender guitar on stage

He was with the little Jimmie Dickens

show. If Mr. Fullerton or Mrs. Fender

have any information about Jimmie

Bryant please send it if at all possible.

All so can you please send a brochure

of all guitars & other products

Thanks. Al. Peña 1023 W. Elm
