

DR-MV1S

DVD/VHS Combo Recorder

JVC

Description

With the DR-MV1S, record on DVD or on VHS tape. Dub from DVD to tape, or tape to DVD. With two built-in tuners, you can record two different TV programs at the same time! Watch a DVD while recording a TV program on tape. Dub DVD to VCR (non copyrighted material only) and VCR to DVD. You can easily make copies of your favorite home movies using the DV Input from a firewire equipped camcorder or use the A/V inputs.
