

HR-S3902

Super VHS Deck

JVC

Description

The JVC HR-S3902 offers high resolution recordings with Super VHS & 19 Micron Heads. "ET" mode lets you make S-VHS recordings with economical VHS tape. Easy operation is assured with Plug n' Play setup. VCR Plus+ offers simple timer recording, and JVC includes a coupon for a free cable box controller if you need it. A/V Compu Link provides one-touch operation with matching JVC components.
