

# HR-S5902

Super VHS Deck

# JVC

Replaces:  
HR-S5901  
HR-S5911

## Description

The JVC HR-S5902 offers powerful editing features including flying erase head, audio dub & insert edit. Super VHS & 19 Micron Heads provide high resolution recording. "ET" mode lets you make S-VHS recordings with economical VHS tape. A front S-Video input simplifies connecting a camcorder. Plug n' Play offers easy setup & VCR Plus w/ Cable Eye makes timer recording simple too. A/V Compu Link provides one-touch operation with matching JVC components.
