**4** Hold "REC" Button for 3 seconds

1. When your Cable/Satellite Box is powered on by the timer function, HR-XVC14B/15S is also powered on and starts to record (It takes about 1 seconds) automatically.

2. When your Cable/Satellite Box is powered off using the timer function, HR-XVC14B/15S also stops recording (It takes about 3 seconds) and then powers off automatically.
