

ride the wild side!

Grab JVC's GR-DVP3 ultra compact personal video device and score some high-rez digital video and stills. Catch killer air with JVC's Digifine 2.1 head unit - the new all-aluminum CD receiver and MP3/CD-R/CD-RW changer control with a slick motorized faceplate. Or go huge with JVC's MX-GT90 sound system complete with 460 watts of power, triple tray CD player and more lights than Times Square.
