

# Video Flex<sup>®</sup>

## 7700

Ken-A-Vision's newest addition to the world of 'networkable' cameras is the Video Flex 7700 Network Ready Camera. Ken-A-Vision has designed this camera from the ground up to redefine teaching and learning.

### Additional Features and Benefits

- **Network Ready** Plugs straight into the network
- **No Software to Install** Works off of any web browser
- **C-mount Lens** Interchangeable lens system accommodates all c-mount lenses.
- **Quick Focus™** 1/4 turn moves from 6mm to infinity
- **Ball and Socket Head** For greater range of motion and easier positioning
- **Triangular Base** Slip and Tip proof
- **Adjustable Contrast** Varies the contrast of the picture
- **Positive / Negative Switch** Similar to Darkfield Control on microscopes; this reverses the lighted images
- **Fluorescent Control** For Fluorescent conditions
- **Kensington Slot** Provides anti-theft control
