LUCID ADDS TO WARRANTY COVERAGE

Lynnwood, WA USA – Lucid, a manufacturer of digital audio converters, now offers an additional two years of warranty coverage contingent upon product registration. By completing a registration card and mailing it back to the company, Lucid will provide three full years of warranty coverage for its products. By fall of 2000, product registration will be offered on the company's Web site at www.lucidaudio.com. Customers may contact the company's technical support phone lines between 6am and 5pm, Pacific Time at (888) 349-3222 for answers to product or service questions.
