

RACKFRAME SYSTEM™

2U RACKFRAME™

There are more than 20 Nigel B Modules that can be installed in this unique 19" RackFrame System™ and you can add any Custom Made Connecting Panels of your choice

THE 2U RACKSPACE FRAME TAKES UP TO 8 MODULES OR A COMBINATION OF 3.5" LCD DISPLAYS AND ANY 1U MODULE

Guaranteed 80,000 Hours - With up to more than 5 times the life of the Backlight, makes our units the obvious choice when compared to the competition's 15,000 hrs.

Up to four 3.5" Monitors can be fitted into the 2U Frame and each swivels independently. As each monitor only requires 1/4 of the space, you can "Mix & Match" unused spaces using any of our 1/4" Rackspace Modules.

Each RackFrame™ is normally purchased as an "individual" unit allowing you to add Modules or Blanking Panels to the Frame exactly as you want them installed.

***There are many different modules to choose from**

These include: Stereo Mixer, 4 Channel Headphone Amplifier, Stereo Mic/Pre Amp Mixer, Mono Mic/Pre Amp Mixer, Cross Over, Limiter/Compressor, Dual AV Meter, 4 Place Speaker/Switcher, 12 place Patch Bay, Gooseneck Lamp Module, Power Module, etc.,

Each 1U Module measures: 4 1/4" deep, 4 3/8" wide and 1 3/4" high and are secured to the frame using the four supplied Screws
