

# PHX

## PROFESSIONAL QUALITY DJ HEADPHONES

**SUPERIOR NUMARK SOUND, WITH THE RUGGED DESIGN DJS NEED.** PHX premium headphones incorporate an isolating, closed-ear design with 50mm neodymium magnet drivers, for professional-quality high output. The PHX package comes with 2 styles of interchangeable ear pads and 3 types of cables.

A special 2-part ear cup design incorporates a rubber/silicone casing for a comfortable and secure fit that rests between ear and shoulder while cueing. PHX headphones fold up for storage and come in a premium hard carrying case. The PHX is new standard in pro DJ headphone technology, providing the cleanest, loudest sound, and the most versatile and durable performance.
