

VJ01

PROFESSIONAL DVD/CD/MP3 PLAYER

LOOP, CONTROL AND PREVIEW ANY VIDEO, ANYWHERE.

Designed for DJs wanting to incorporate visuals into their entertainment mix, Numark's VJ01 is a compact, tabletop media player that supports a wealth of video and audio formats.

Featuring a 5.6-inch LCD TFT tilt screen display, the VJ01 boasts pitch-control capability, a slider control for both DVDs and CDs, and soft-touch rubber transport controls. It also supports all standard DVD features, has PAL and NTSC compatibility, and gives users non-seamless looping for repeating video clips and an arsenal of effects such as cue, loop, zoom, angle, and slow motion.

The VJ01's club-tested interface, based upon Numark's legendary CD players, makes operation a snap. With all this, it's the perfect tool for club and mobile DJs searching for a powerful, affordable video solution.
