THE COSMIC
AUDIO TOWERS & VIDEO TABLE

HOME THEATER FURNITURE THAT'S OUT OF THIS WORLD

THE COSMIC AUDIO TOWER - GREY

This contemporary furniture ensemble (also sold separately) includes two audio towers and one video table to offer an elegant display for home theater audio/video components and personal accessories. High grade steel framing available in scratch-resistant black or grey satin powder coat finish is easy to assemble and store (RTA). 10mm glass with a highly polished edge will easily support a mix of

audio/video components. The integrated cable management screen hides unsightly wires. Uniquely styled steel mesh accents and highly polished aluminum caps and feet highlight the entertainment unit (height adjustable).
