120.0 WA		
A	12"	315.90mm
B	9 1/2"	241.30mm
C	19"	482.60mm

WA mounts provide a more limited range of vertical and horizontal movement, but have less visual impact on the room environment. For enclosures having footings at the back of the enclosure, the WA is the best mounting solution for the widest coverage.
