Let's make things better.

PHILIPS

14" Stereo Remote Color Monitor/Receiver

Picture

14" Dark Glass Real Flat™ Picture Tube

Enjoy a picture so good that it's like looking through a window. Real Flat provides a non-distorted picture quality from any angle. Thanks to its flatter screen and the fact there are no rounded corners, light reflection is decreased considerably offering improved contrast ratio.

Comb Filter

Leading the innovation curve, Philips introduces unique R-Y, B-Y Bimos circuitry that offers high picture performance and superb clarity.

Video DNR (Dynamic Noise Reduction)

Break the "grainy" picture syndrome with Video DNR. Enjoy much smoother picture texture, especially in weak signal areas.

AutoPicture™

Instantly optimises brightness, contrast, color, tint, and sharpness settings enhancing enjoyment of video games, sports, movies, or weak signals.

Black Stretch

Special circuitry enhances the darker portions of the picture for added realism and overall picture quality.

3-Position Color Temperature

Customize picture to your personal flesh-tone preference with cool, normal, and warm color temperature settings.

Remote Control

QuadraSurf™ TV/VCR/CBL Universal Remote

Controls all features of this TV with direct menu access including QuadraSurf™, Incredible Surround™, onscreen clock, menu display, and direct channel access. It also activates AutoSound™, AutoPicture™, AutoMute™, alternate channel, closed caption, daily alarm, status/exit, programmable scan tuning, volume, 240-minute sleep timer, and power on/off. In addition, this remote controls all important operating features of virtually all VCRs, most brands of DVD Video players, virtually all brands of DBS receivers, and on/off as well as channel functions of most cable converters. (Remote RCLU012/01)

Convenience

Front A/V Jacks

For fast, easy connection of external video sources (VCR, camcorder or video games) nothing beats front audio/video input jacks.

Front Headphone Jack

Enjoy your favorite movie, music video or video game or surf the Net with headphone privacy.

AutoMute™

Automatically activates closed-captioning when the MUTE button is pressed.

AutoLock™

Protect your children from harmful programming with V-chip technology based on the Motion Picture Association of America (MPAA) and the network television rating systems.

Sleep Timer

Activate this feature and the TV automatically turns off at a preset time of up to 240 minutes, programmed in 15-minute and 1-hour increments.

CC Icon
This television receiver provides display of television closed captioning in accordance with §15.119 of the FCC rules

Sound

Auto Sound Plus™

Instantly optimize sound to satisfy any program situation. Select from one of four factory settings including movies, music, voice, or personal with a variety of combination of ultra bass, treble, and automatic volume levelling to suit any taste.

Incredible Surround™

An exciting psycho-acoustic method of widening the stereo spatial image for full-impact home entertainment.

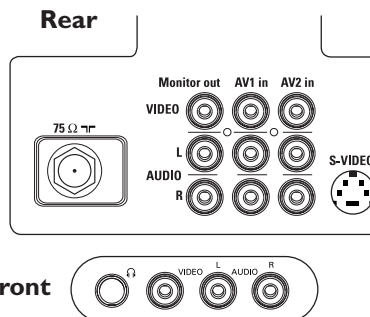

Tone Controls

Customize listening experience to personal taste through separate onscreen Bass, Treble, and Balance controls.

Audio/Video Jack Panel

Gold-Plated Rear Stereo A/V Jack Panel wit S-Video Input

High resolution inputs for DVD, VCR, Satellite and Video games through the S-Video connection. Gold-plated jacks including audio outputs make adding a surround sound receiver easy!

Additional features include:

- 181-channel capability
- Cable/normal select
- Mono/stereo/SAP select
- Channel edit
- Dual 5" oval, full-range speakers
