

Electrical Extension Cords

E-Cords™ BRAND

E-Cord brand of electrical extension cords

The first extension cords especially designed for the entertainment industry. E-Cords are an extremely durable, yet flexible cord line in a variety of lengths and gauges for different applications. E-Cords are solid black, for easy concealment on stage and are available in 12, 14 and 16 gauge.

- three end configurations:
 - standard
 - power block 3-outlet connectors for powering multiple items from a single cable
 - Tru-Line locking connectors provide a secure connection to prevent unexpected power loss from pulled cables
- Warranty
 - 12 gauge, 5-year
 - 14 gauge, 3-year
 - 16 gauge, 1-year
