

## ProScreen Solar Slimline Manual Front Projection Screen

Solar Slimline Manual Front Projection Screen wall or ceiling mount. Screen case made of extruded aluminum finished in white, lightly textured powder coat. Equipped with Controlled Screen Return (CSR) to control the return speed of the screen into the case. Bottom of fabric mounted into a metal strip in a tubular steel slat finished in baked enamel. Matte White fiberglass screen fabric flame retardant and mildew resistant picture surface with black masking borders standard. Fabric mounted into a metal strip in a Camlock roller system without tape, glue, staples or cords so that fabric can be easily replaced yet cannot be pulled from roller.

Pricing for standard Matte white fabric. Other fabrics available - Glass Beaded, High Contrast Matte White, High Power or Video Display 1.5 – call for pricing.
