

ROAD READY

CASES

WWW.ROADREADYCASES.COM

"-You guys carry high-quality cases that can withstand any potential damage, perfect for touring. Thanks for being pioneers. Your loyal customer".... DAVY

IN CASE YOU WERE WONDERING

We do one thing and do it well. It's simple. We don't waste our time making cases that don't last. We don't make carpeted cases, we don't make molded injection plastic cases, why bother? Our bad boys are crafted out of the finest materials around and then put through a grueling 3 step quality check process. Only then do we stamp them with our **ROAD READY LIMITED LIFETIME WARRANTY** and ship them out the door. Crafting quality cases is our calling and we take it seriously. Hey, you invest a lot of money in your gear and you need the toughest protection around. Period

STYLE and PASSION...it's that simple.

Forged out of the toughest materials around and formed into virtually every size and shape imaginable, we don't just make cases to fit your gear, we make cases to fit

your life. DJ gear, Muscial instruments, Pro-Audio, PA systems, lighting..... whatever your needs, we got a case for it.

Roadie, DJ, Rocker, technician, Rap, hip-Hop, Country, Rock.

Whatever your passion, whatever your flavor, we've noticed a few things. Being on the road sucks! Late nights, early mornings, angry locals, lost time, bad food. Setting-up and tearing down. It never ends. Hey, it's a hassle, we know. That's why we design our cases to be headache free. Worry about making your gig on time, worry about **how you're gonna fit in 2 hours of sleep,** worry about your missing drummer. But don't worry about your gear. There's no need to, we've got you backed.

**"I was blown away by
diffence in craftsmanship.
Keep up the great work
building the best damn
cases in the world"
..... Stephen**

OUR FAN MAIL SAYS IT ALL....

We love your products. We have obtained cases from various manufacturers over the years (Anvil, custom, etc), and once we got your case, we knew from now on all new cases would be Road-Ready Cases only!
The quality and fit of everything is first class, and has protected our gear for shows all over the west coast....

Sincerely,
 ...Thomas

I have a couple of RRUT1E's and a collection of UED/UAD and slant top cases etc, & want more when I can... I'm a big fan! Cheers
 ...SoundsCool Mana

I would like to thank you and congratulate you on all your awesome products. We would love to hang one of your banners in front of our DJ booth, sort of an advertisement for Road Ready. Thanks again and keep up the awesome work!
 ...CONNER.

Stomping nightly on my Road Ready Pedal Board cases for my VG-88's, then turning around and seeing my 12-space shock rack stuffed with Spitz gear, gives me a feeling of security and 'no compromise' design that can only be described as quality WAY above the rest. Accept no other. I choose wisely... I choose the best!
 ...Dan Spitz

hey dudes and dudettes, i just slipped my keyboard into your case for the first time and i've got to tell you, as a picky person, i couldn't possibly be more pleased with this case. with the custom foam strips it fits my roland xp-80 like a friggin' glove. i am so tired of buying products, of all sorts, and having to modify or "tweak" them just to make them acceptable. not so with my road ready. i am such a fan of quality and excellence. you guys rock. thanks.
 ...Mark

Everyone says your cases are the best!
 ...JOHN

We ordered two RUT1E Road Ready utility trunks and have truly tested their durability. Road Ready not only keeps my gear safe on the road, but I would hesitate to put my gear in anything else. These cases are rock solid and more than apt to handle the rigors of the road.
 ...ERIC

First of all, I would like to compliment your company on the quality of your work. I purchased a Odyssey case and sent you pictures of it showing that there wasn't even enough room to plug my cables in. I sent the case back and ordered my first Road Ready case and was blown away by the difference in craftsmanship. Keep up the great work building the best damn cases in the world!
 ...Stephen

I sat around all evening just looking at it's amazing construction. I've never been so happy and this is the best X-mas present I've ever gotten. I have kids and am going to pass this and my amp on to them.... I'm sure the amp will be around in 15 years as I KNOW the case will. You guys rock and have a customer for life!
 ...Jason

I'm no kid (a 25 year veteran of this industry) and by far you guys make the best cases out there. I continue to be a loyal customer.
 Thanks again!
 ...Russell

My rack and all my gear got stolen and I purchased my first Road Ready case to protect my new gear. Amazing product. In fact, I feel bad for the idiot who stole my cheap, plastic SKB rack. I will never go back! Road Ready is the only way to go.
 ...Rob

WE LOVE OUR CUSTOMERS AND WE LOVE TO HEAR FROM YOU. YOUR FEEDBACK INSPIRES US AND HELPS US CREATE PRODUCTS CONSUMERS ACTUALLY WANT. KEEP UP THE GOOD WORK AND THANKS... AS A THANK YOU WHEN YOU PURCHASE ONE OF OUR CASES AND REGISTER IT, WE WILL MAIL YOU A FREE AUTHENTIC ROAD READY TRUCKER HAT... SNAP A PHOTO OF YOURSELF IN YOUR HAT AND JOIN OUR CONTEST ONLINE AT: WWW.ROADREADYCASES.COM

SEND IN YOUR PHOTO AND WE'LL GIVE THE HAT OFF

MAIL IN YOUR WARRANTY CARD OR REGISTER ONLINE AND WE'LL SEND YOU A FREE TRUCKER HAT!

SNAP A PHOTO OF YOURSELF IN YOUR HAT AND JOIN OUR CONTEST ONLINE AT: WWW.ROADREADYCASES.COM

Got it today. 76 keyboard case. Awesome product! Had em all: Star, Anvil, the rest, and yours blows them away. At last - a 76 case I can wheel! And re-configure! Leaving Thursday for the military. My Road Ready case is ready to rock. Thanks. Yours truly,
 ...Tom

If you look in our trailer, you will see a few Road Ready Cases and we absolutely love them. As a matter of fact, we just purchased a 14 space slant mixer case from that will be here later this week. Keep up the good work and on behalf of RagTop, I promise to push your product hard. Thanks again
 ...Eric

PRODUCT FEATURES

The open road is a test and your case better be able to handle whatever the streets have to throw your way. That's why our cases are packin' with Rugged Road Ready Features. Think of them as an insurance policy against Road Rash. Built for the long haul and 100% Road Ready.

INDUSTRIAL RIVETS

Double anchor Industrial rivets to secure all Road Ready Hardware for **maximum durability**. Bring on the abuse.

BALL CORNERS

Beefy, stackable chrome ball corners with **3-prong six-rivet industrial anchors**, designed to provide protection against even the heaviest transit

INDUSTRIAL HINGES

"Quick-Fit" Industrial hinges allow easy top removal and installation while providing secure latching. Quick and easy the way it should be.

INDUSTRIAL LATCHES

Recessed, chrome, bi-position butterfly latches. Industrial grade with ten rivet anchor construction. These puppies are built like a safe!

TONGUE AND GROOVE FIT

Tongue and groove construction for a **heavy-duty locking fit**. Sealed tight for anything the road throws your way.

CASE CONSTRUCTION

Rugged premium 3/8" vinyl laminated plywood; structurally strong and built to resist damage. Go ahead give it a pounding.

PULL OUT HANDLE

Pull out handle so you can pull or push your gear with ease. **Hide it away or extended into a locked position**. No more lugging your gear around.

RACK RAILS

Heavy duty rack rails designed to secure your electronics (mounting hardware included) in place. Bolt **down with confidence**.

REAR ACCESS DOOR

Latchable hinged door at the rear of the case so you can access your gear for convenient connections. **Definitely a secret passage worth having**.

PICK AND FIT FOAM

Pick & Fit Foam Technology allows **you to customize your case to fit any gear under the sun**. Your gear can change, your case shouldn't

RUBBER FEET

Industrial grade rubber feet attached with heavy-duty bolts and recessed T-nuts. Because the bottom of your case has to deal with road rash.

SPRING-LOADED HANDLES

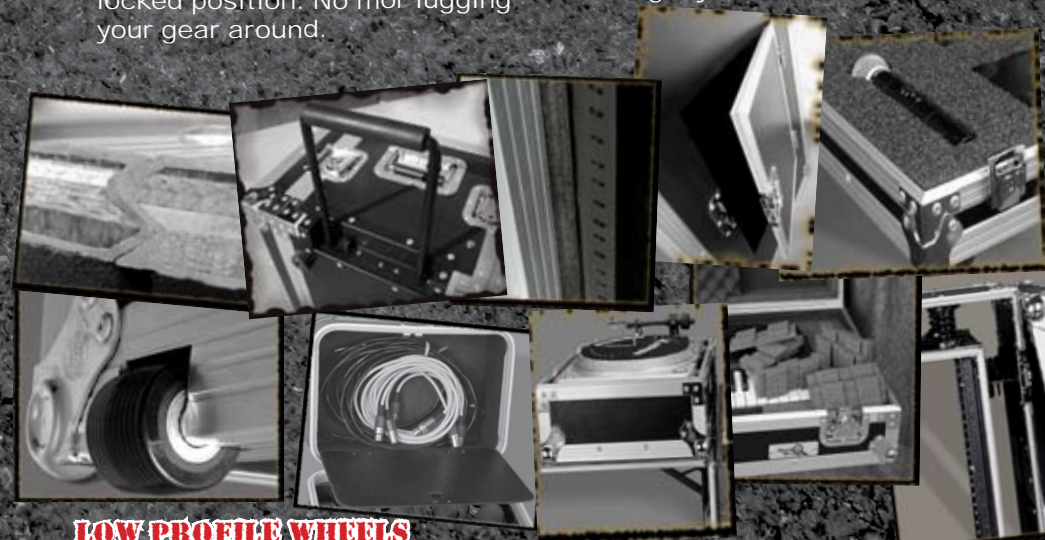

Recessed chrome, spring-loaded, handles. Retractable so they stay out of your way. Heavy-duty rubber grip to prevent white knuckles and blisters even when dealing with the heaviest of loads.

FRONT ACCESS PANELS

Front panel design with removable faceplates. Designed to provide hassle free access **to your front mixer controls, CD drawers and headphone jacks**. Because you don't have time to waste.

CABLE PORTS

Unique ports with a protective back plate for convenient routing of AC and phono cables, through the rear of the case when in use. Keep your connections and wiring secure when not in use. Think of them as your case's personal bodyguard.

LOW PROFILE WHEELS

Stealth and sleek low profile wheels for ultimate mobility. Take them off-roading if your heart so desires.

INTEGRATED STORAGE COMPARTMENTS

Removable compartment located within the case's cover to provide **extra storage for all your messy cables and accessories**. Simple and smart space planning.

WINGS

Heavy-duty weight bearing wings designed to mount easily on top of your slant rig and provide all the **extra working space you need**. Fold up neatly inside 1U of space when not in use. Your work space problems solved

Z-LOCK FOAM

Z-Lock foam. Lock-it, un-lock and easily customize the inner length, width and height of your Road Ready case. Go ahead, upgrade to the bigger model.

SHOCK MOUNT TECHNOLOGY

Unique integral suspension system built into the case. Provides un-parallel protection against even the most rigorous trauma. Just begging for abuse.

* Not all features listed are available on all case models.

Bring it on! Built to take a pounding and come back for more, our Rack cases protect your gear from even the most ground-breaking abuse.

Effect Racks, Amp Racks, Slant Racks and Shock Mounts, we've got a rack to fit your gear! And boy do we build these beauties right. Crafted from raw edged materials, our racks feature smart design elements like dual rack rails mounted front and back, mounting hardware, 2 heavy duty covers for easy access to your gear and pull-out handles and wheels to give your back a break ((not all features available on all racks)!

Optional accessories like our rugged 3 1/2" casters, rolling base with storage drawer and cool rack fan outfit your rack for ultimate function. Finally Cases done right!

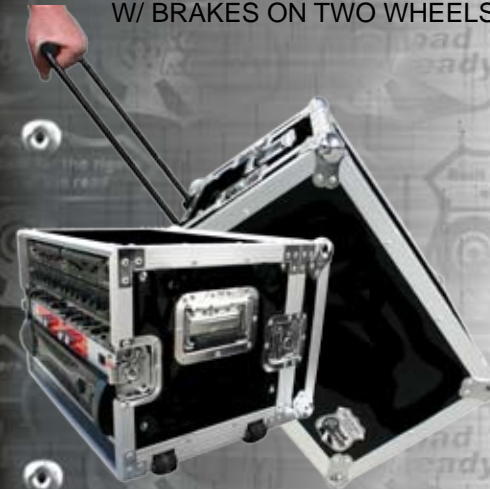

"I've been gigging for 25 years and rack cases have gone from really good to really bad. Your cases brought the standards all the way back up. Even just sitting here in my house it brings a smile to my face. The construction is excellent. Thanks for making such a great product. I'll never use anything else"..... Mike

Pro Mixer Cases

"I just received a mixer case, RRMG16E, for the Yamaha MG16/6FX mixing console. Nicely built; just what I was looking for -- and I looked around a lot before I found this one. Thanks!"

-J.

Created for the Pro's, our series of Pro Mixer Cases is made for the journey and built to hold strong in high-stress situations. Designed to fit specific Mackie, Yamaha, Behringer, Allen & Heath, Midas, and other mixer brands, the Pro Mixer Series features details that make the difference. Our unique low profile base design allows you to access your mixer's rear connection panel without removing your mixer from the case. Low-profile wheels provide sleek, stealth mobility and a removable cover allows easy access to your gear. Built to be tougher than the pavement! That's the idea.

UTILITY CASES

Utility, definition.-
1. something useful or designed for use. 2. Road Ready utility case. Your gear can change, your case shouldn't. This is the thinking behind our Utility Series. Built to hold everything and anything, our series of utility cases is designed to provide **extra room where you need it. Our exclusive high-density Pick-&-Fit Foam** allows you to customize your case so it can hold virtually anything; **CD recorders, mixers, digital recording studios, wireless mic systems, headphones, guitar effects, pedals and more.** Simply shape the Pick-&-Fit Foam to create **your perfect fit. If your needs change, your case doesn't have to.** Pick-&-Fit Foam replacements are readily available.

MIC cases

Your mic is your voice to the world. Protect it. Designed **for flexibility and comfort,** our wireless and standard mic cases are built with brains and feature smart design elements like our **exclusive Pick-&-Fit Foam** so you can custom design your case to hold virtually any mic component imaginable. We also added special storage compartments so you can **finally get a grasp on** organizing all those messy cables and accessories. Strong, durable and comfortable to use; built to work the Road Ready way.

 MPC4000 DIGITAL RECORDING
 STUDIO

Recording music is serious business and when the miles start adding up you need a hot commodity like our Recording Gear series on your side. Created to protect digital recording studios, our recording gear series features smart Road Ready components like our Pick-&-Fit Foam so you can easily customize your case to fit a variety of models. And our unique low profile base allows you to access all your digital media disks with no hassle. Hey, you have a lot of responsibility. Let your cases soften the load.

KEYBOARD CASES

Cases with a purpose.. Understanding that it's the details that make the difference between good design and exceptional design, we created our keyboard series. Our exclusive Z-lock Foam system allows you to customize the inner length, width and height of your keyboard case to accommodate virtually any model of 61 key, 76 key or 88 key keyboard. Simply lock or unlock the layers of z-lock foam to create your perfect custom fit. And because lugging your gear around can be a hassle, we equipped each case with our unique low profile wheels for sleek, stealth mobility. Upgrade your keyboard, not your case.

TOURING UTILITY TRUNKS

Rugged, large and built to swallow anything you put in their way, Road Ready Utility Trunks are absolute beasts! To civilize them a bit we included a heavy-duty 3 1/2" integral caster kit with brakes for easy mobility and options like two take out drawers to store smaller accessories and up to 8 fully adjustable/removable storage compartments to thoroughly organize your gear. We even included unique dishes on the top of each trunk so that multiple trunks can be stacked on top of one-another to optimize space while traveling. Brains and Brawn.

PRO-TOUR SERIES CASES

"We have traveled quite a bit and are sure we **know a solid flightcase** when we see one. Your cases impress us."

Cheers,
Krishna

Built to take a pounding and come back for more... our Pro-Tour Series protects your gear from even the most ground-breaking abuse. Crafted out of thicker 3/4" plywood with rugged X-large touring series corners, latches, aluminium siding, tongue and groove and extra beefy 4" casters, our Pro-Tour Series is built to be **extra tough. Think of it as an insurance policy against Road Rash!**

DJ CASIS

The ultimate hook-up of style and innovation, Road Ready's DJ Cases run the gamut Turntable Cases, DJ mixer cases, cd player cases, coffins, CD, LP cases, stands and accessories Created for the serious DJ and crafted out of the toughest materials around our raw edged designs are built to take a beating night after night, and gig after gig.... So go ahead get your groove on!

" I would like to thank and congratulate you all on your awesome products. When I started out DJing I was told about Road Ready by a friend. I needed some good cases, so I went out and bought some for all my gear. Wow was it worth it. Your products hold up so well, I can't tell you how many times they have been banged around or dropped and the gear inside is **unharmd.** **Your cases surpass all my expectations.** Thanks again and keep up the awesome work! "

COOL CASES...

Built for the rigors
 of the road

A Road Ready World Exclusive, our Cool Series of DJ coffins and CD player cases is definitely creating a breeze and taking the world by storm. These ingenious cases feature our exclusive, Cool-Tone fans that lower the working temperature of your unit by 7 degrees Celsius (12 degrees Fahrenheit*) so your equipment never over heats and is always kept at an optimum temperature. Just plug it in and you're ready to be cool. *Cooling tested at 20 degrees Celsius/ 68 degrees Fahrenheit ambient temperature.

Road Ready

LIMITED LIFETIME WARRANTY

Road Ready Cases warrants to the original owner of each new Road Ready Product (provided that is purchased at an Authorized Road Ready Dealer) that is free of defects in materials and workmanship and that each product meets or exceeds all factory published specifications for each of our respective models. Road Ready agrees to repair or replace (at its discretion) all defective parts at no charge for labor or materials. Road Ready will correct any defects by repair or replacement and ship back the product to the customer within a reasonable time after receipt of the defective unit at a Road Ready Authorized Service Center. This warranty does not cover damage or failure of product due to misuse, alterations, reasonable wear and tear, or product repairs performed by a party other than an authorized Road Ready Service Center. There are no obligations of liability on the part of Road Ready for any consequential damage or any other indirect damages with respect to loss of property, revenues, profit or costs of removals, installations or re-installations arising out of, or in connection with, the use or performance of a Road Ready product.
