

RR10UADS

Built to take a pounding and come back for more, the RR10UADS protects your gear from even the most ground-breaking abuse. Crafted with our exclusive case-within-a-case design that features an unique integral suspension system the RR10UADS provides un-parallel protection against even the most rigorous trauma. Built smart with dual rack rails for flexibility (mounted front and back an 16 1/4" rack depth) and two removable covers for easy access to your gear, the RR10UADS features 10U 's of rack space. Bring it on!
