

RR2MH1200C

Lights, Sound, Action! Designed to protect and transport two 1200 Type moving heads, the RR2MH1200C makes sure that the show will go on. Our unique hanging lock-in-place design securely holds your moving heads in place and provides the ultimate protection during transport. And to make transporting a breeze we included a rugged caster kit for easy mobility and recessed dishes on the cover so multiple cases can be stacked on top of one another to save space. Let there be light!.
