

RRDJX300W

Definitive protection for your gear, the RRDJX300W is a real heavy hitter. Built to take on the streets and designed to hold two Denon DNS1000/DNS3000 CD Players along with a Denon DNX300 mixer. The RRDJX300 is built smart with Rugged Road Ready features like smart front access panels for easy CD and mixer access, and a rear access cable port for hassle free connections. We even threw in our low profile wheels for sleek stealth mobility. Go ahead give it a pounding.
