

RREHUT1E

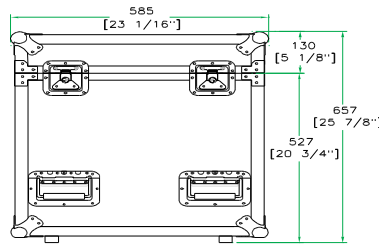

Because sometimes you don't need to take it all with you, we created our RRHUT1E half trunks (same smart design, but half the size of our RREUT1E full trunk). This smaller more civilized version is the perfect answer for lighter road trips and nights out on the town. And as an added bonus, two of these little guys can be stack on top of their big brother the RREUT1E for easy traveling. And the RREHUT1's are Truck Pack ready and fit into standard trucks with ease. Brains and Brawn!
