

RREUT1E

Rugged, large and built to swallow anything you put in its way, the RREUT1E is an absolute beast! To civilize it a bit we included a heavy-duty 3 1/2" integral caster and unique dishes on the top of each trunk that allow multiple trunks to be stacked on top of one-another to optimize space while traveling. The RREUT1E also comes Truck Pack ready so it fits into any standard truck with ease.
