

RRGL2200832W

Created for the Pro's, the RRGL3300832W mixer case is made for the journey and built to hold strong in high stress situations. Designed to fit the Allen & Heath GL3300-832 32 channel mixer, the RRGL2200832W features features a heavy-duty, removable, cover crafted with our no-pressure design to protect your controls and our unique low profile base that that allows you to access your mixer's rear connection panel without removing your mixer from the case. And to make transporting your gear even easier we included our low profile wheels for sleek, stealth mobility. Tougher than the pavement!
