

RRM14

Created for the Pro's, the RRM14 mixer case is made for the journey and built to hold strong in high stress situations. Designed to fit the Mackie 1202 and 1402 mixers, the RRM14 features a heavy-duty removable, latchable cover and adjustable foam lining for the perfect custom fit. We also created the RRM14 with a unique low profile base design that allows you to access your mixer's rear connection panel without removing your mixer from the case. Tougher than the pavement! That's the idea
