

RRM324W

Created for the Pro's, the RRM324W mixer case is made for the journey and built to hold strong in high stress situations. Designed to fit the Mackie SR 32.4 mixer, the RRM324W features a heavy-duty, removable, latchable cover for easy access to your gear and our unique low profile base design that allows you to access your mixer's rear connection panel without removing your mixer from the case. And to make transporting your gear even easier we included our low profile wheels for sleek, stealth mobility. Tougher than the pavement! That's the idea.
